

Financial Services Guide

PB & RD Pty Ltd trading as AssureUs

1. Introduction

- This Financial Services Guide (**FSG**) describes the services we provide. It is designed to assist you in deciding whether to use any of our services, and it describes how we and our associates are remunerated for our services, our professional indemnity insurance and how we handle any complaints you may have.
- We will give you a Product Disclosure Statement (**PDS**) before you decide to purchase insurance from us. The PDS contains information about the insurance to help you understand the terms and conditions of the insurance.
- We will also direct you to the Target Market Determination (**TMD**) for the insurance we arrange for you. The TMD describes the type of customers for whom the insurance is appropriate, based on their likely needs, objectives and financial situation as well as the product features.
- Reading the PDS and the TMD will help you to decide if the insurance suits your needs, objectives and financial situation.
- If you have supplied your email address to us, we will send documents including this FSG and PDS to that address unless you instruct us that you wish to receive these documents via a different method (e.g. hard copy sent to you by post).
- This FSG was prepared on 05/01/2026.
- All references in this FSG to 'we', 'us' or 'our' refer to PB&RD Pty Ltd trading as AssureUs, ABN 86 674 852 932.

2. Our Services

- Under our Australian financial services licence (AFSL No. 563444), we can help arrange for you to access comprehensive car insurance or third-party car insurance for your rideshare vehicle. This insurance is only available to financial members of AssureUs.
- We do not provide any personal advice in relation to the offer of the insurance. Any recommendation we make for you to take out insurance is made without taking

account of your objectives, financial situation or needs. You should, before acting on our recommendations, consider the appropriateness of them for your personal circumstances. Reviewing the PDS will help you to decide whether it suits your needs and whether to buy or hold the insurance. You can also access the TMD for the insurance to identify whether you are within the target market: [insert link].

- When we offer you the insurance, we act for you, not on behalf of the insurer for the insurance.

3. Remuneration

- We receive remuneration for arranging the insurance and this is the difference between the amount you pay us for the insurance (referred to as your Insurance Charge in the PDS) and the cost of the premium that we pay to the insurer for the group policy (calculated by reference to the number of vehicles insured under the group policy).
- We pay a salary to our staff who arrange insurance.
- If we have already given you a quote for the insurance, you can request particulars of the remuneration we earn for providing insurance within a reasonable time after you receive this FSG and before we provide financial services to you.
